Where is MOSTAR?

Mostar is located in the southern part of Bosnia and Herzegovina and serves as the administrative centre of Herzegovina-Neretva Canton. The city can be reached by air via Sarajevo, Split or Dubrovnik airports, followed by a bus or car transfer to Mostar. It is also accessible by intercity bus and train.

Mostar is best known for its iconic **Old Bridge,** a UNESCO World Heritage Site, and the Neretva River, which flows through the city. Its historic Old Town, traditional architecture and local culture make it an perfect place to explore.

50 godina Ekonomskog fakulteta

U ponedjeljak, 5. oktobra 2026. godine, svečanim presijecanjem vrpce, koje su upriličili rektorica Univerziteta „Džemal Bijedić" u Mostaru prof. dr. Alena Huseinbegović i dekan Ekonomskog fakulteta prof. dr. Goran Ćurić, zvanično je otvorena manifestacija „Dani Ekonomskog fakulteta". U okviru svečanog otvaranja predstavljena je izložba „Znanje kao kapital", koja prikazuje retrospektivu izdavačke djelatnosti i razvoja Ekonomskog fakulteta od 1976. do 2026. godine. Manifestaciju, organizovanu povodom obilježavanja 50 godina rada Fakulteta, okupila je brojne goste, saradnike, nastavnike, studente i prijatelje Fakulteta. Tokom narednih dana planirane su aktivnosti posvećene studentima, partnerima iz privrede i javnog sektora, kao i 6. međunarodna naučna konferencija „Pravni i ekonomski aspekti procesa integracije Bosne i Hercegovine u Evropsku uniju". „Dani Ekonomskog fakulteta" predstavljaju priliku za predstavljanje rada i razvoja Fakulteta, razmjenu znanja i iskustava, kao i jačanje saradnje sa akademskom, poslovnom i društvenom zajednicom.

First Place at Hackathon in Travnik

Second-year students at the Faculty of Information Technologies of Džemal Bijedic University of Mostar, Adin Kahric, Tarik Alicic, and Bakir Bajgoric, won first place at a hackathon held as part of the ITreboot Travnik event. The students competed as Team ScanLeads and won the competition by demonstrating their knowledge and information technologies, creativity, and teamwork. Hackathons let students apply their knowledge of innovative technological solutions and tackle real-world challenges under time pressure. Through this achievement, the students of the Faculty of Information Technologies demonstrated their skills and represented their faculty and Džemal Bijedić University of Mostar with distinction.
