International Day of Education

The 24th of January was proclaimed as the International Day of Education by the Resolution of the United Nations General Assembly on the 3rd of December 2018. The Resolution, adopted by consensus, celebrated the role of education in peace and development. As the world education community gathered in Brussels for the Global Education Meeting, the UN General Assembly voiced a strong message recognizing the foundational role of education for peace and development. The adoption of the Resolution 73/25 'International Day of Education' co-authored by Nigeria and 58 other Member States, demonstrated the unwavering political will to support transformative actions for inclusive, equitable, and quality education for all.

Letter for a Smile

By IROUNMO

The Student Union successfully carried out the humanitarian campaign Letter for a Smile for the children from the Children's Orphanage Mostar.

The staff and students of the Dzemal Bijedic University of Mostar collected 2312 BAM, which they used to purchase gifts for the children of this institution. Representatives of the Association of Faculty Students collected funds between December 23 and 26. The representatives transformed the donations into gift packages for the children.

The Children's Orphanage Mostar provides care for children without parental care, and the Student Union aims to bring smiles to their faces. The children wrote letters expressing their wishes, and the students were happy to fulfill them. With the collected funds, they purchased toys, clothing, footwear, cosmetics, school supplies, and many other items, bringing joy to the children's lives.

Through this humanitarian initiative, the students and staff demonstrated their commitment to supporting the community and helping the youngest members of society. In this way, they strengthened solidarity and teamwork while achieving this noble goal.

First Aid Lecture

By IROUNMO

The Department of Sports and Health, in cooperation with the Public Health Institution Health Center Old Town, held a lecture on first aid assistance for students of the Faculty of Education.

During the lecture, they also demonstrated first-aid techniques. After the lecture and demonstrations, the students had the opportunity to practice the knowledge they had gained and learn the basic life-saving techniques.

They held the lecture to raise awareness about the need for providing first aid assistance.

Key Skills To Success

By IROUNMO

On the 23rd of January, 2025, the students of the Faculty of Economics had the opportunity to hold a workshop for the senior pupils of the Mostar Gymnasium. The topic of the workshop was financial literacy. The students, Ana Krulj, Dzejla Kalaba, Nejla Obradovic, and Medina Palic, discussed with the pupils the important steps they would face in independent life: opening a bank account, paying bills, budgeting, saving, and recognizing financial traps.

In addition to the presentation, the workshop included an interactive part where the students demonstrated their creativity and readiness to manage their finances through scenarios and tasks.

The project was designed and implemented within the Project Management course, under the mentorship of Prof. Dr. Nikola Papac and Teaching Assistant Lejla Skaljcic, MA.

Great achievement of prof. Damir Djedovic

Prof. dr. Damir Djedovic, a professor of sport, at the Dzemal Bijedic University of Mostar was announced as the most successful coach of 2024, at the 80th 'Athlete of the Year' award ceremony organized by the Sports Association of Bosnia and Herzegovina.

This prestigious recognition highlights his contributions to sports and his role in developing athletes and sports disciplines in Bosnia and Herzegovina. With his dedication and professionalism, prof. Djedovic is a key person in a world of training. During the ceremony, the Sports Lana Pudar was also named for the best athlete of 2024.
