#### Emin Muzaferija zašto razmjena ?

Moje ime je Muzaferija Emin. Dolazim iz Visokog, Bosna i Hercegovina i imam 22 godine. Razlog zbog kojeg sam se odlučio za Fakultet informacijskih tehnologija je taj što je to spektar koji obuhvata tehnološko znanje koje nam je danas itekako potrebno zbog razvoja i napredovanja tehnologije koja je postala naša svakodnevnica.

#### Iskustvo sa razmjene : Emina Handžić

Zovem se Emina Handžić i studentica sam treće godine Fakulteta informacijskih tehnologija. Ovaj semestar pružena mi je prilika da odem na studentsku razmjenu u španski gradić Lleidu. Ovdje sam već tri mjeseca i svakim danom sam sve više oduševljena raznolikošću kultura i jezika u ovom univerzitetskom gradu, počevši od mog stana koji dijelim sa Španjolkom porijeklom iz Ukrajine, Italijankom i Korejkom.
