Džemal Bijedić University of Mostar welcomes new students and offers a wide range of study programmes across its faculties. Students can apply for undergraduate, master's, and doctoral programmes. The University provides a supportive academic environment and opportunities for international mobility through programmes such as Erasmus+. Džemal Bijedić University of Mostar recorded a 14% increase in student enrollment after the first admission period for the 2026/2027 academic year. The University has now opened its second admission period, which will remain open until September 11, 2026. Future students can find information about study programmes, admission procedures, required documents, and application deadlines on the University's official website.

LAW STUDENTS ATTEND HUMAN RIGHTS SUMMER SCHOOL

By IROUNMO

Law students Lamiya Selimović and Ela Dulić from the Faculty of Law at Džemal Bijedić University of Mostar participated in the Regional Summer School on Human Rights for law students, which the Council of Europe organized in Trebinje from 6 to 10 July 2026. The programme addressed contemporary human rights challenges, with a particular focus on digital and sexual violence against women. As the final activity, the participants took part in a mock trial before the European Court of Human Rights. The exercise allowed them to apply their knowledge and further develop practical skills in human rights protection.

INTERNATIONAL SUMMER SCHOOL MY BOSNIA

By IROUNMO

The International Summer School 'My Bosnia' 2026 took place at the Faculty of Economics of Džemal Bijedić University of Mostar and brought together 120 high school and university students from Bosnia and Herzegovina, Serbia, Croatia, Montenegro, North Macedonia, Türkiye, Switzerland, Albania, and Finland. University and Student Union representatives welcomed the participants, including Vice-Rector for Science and Scientific Research Prof. Dr. Amela Piralić, Dean of the Faculty of Economics Prof. Dr. Goran Ćurić, Prof. Dr. Veldin Ovčina, President of the Student Union Amar Obradović, and student Ajla Keskin. The Litteratus Centre organizes the summer school in cooperation with Džemal Bijedić University of Mostar. The programme includes educational activities, scientific research, youth networking, and opportunities to explore Bosnia and Herzegovina's cultural and historical heritage.

INTERNATIONAL BOSNIAK YOUTH SUMMIT IN ISTANBUL 2026

By IROUNMO

A delegation from Džemal Bijedić University of Mostar, led by Rector Prof. Dr. Alena Huseinbegović, participated in the International Bosniak Youth Summit, held in Istanbul from 7 to 11 August 2026. The Türkiye Bosna Sancak Association organized the Summit in partnership with Džemal Bijedić University of Mostar. The event brought together young people from 20 countries, including students from Džemal Bijedić University of Mostar, as well as representatives of the diplomatic, political, academic, cultural, and sports communities. During the Summit, participants discussed topics related to Bosniak roots and identity, the Bosnian language and culture, education, and the role of young people in shaping the future. As one of the outcomes of the Summit, the participants agreed to organize a Summer School to be held at Džemal Bijedić University of Mostar from 30 August to 6 September 2026. Džemal Bijedić University of Mostar's participation in the International Bosniak Youth Summit represents another step towards connecting young people and the academic community, exchanging knowledge and experiences, and strengthening cooperation between Bosnia and Herzegovina and the Republic of Türkiye.

A NEW ACADEMIC SEASON BEGINS

By IROUNMO

After the summer break from 18 July to 18 August, Džemal Bijedić University of Mostar has reopened its doors and resumed regular activities. The new academic season brings fresh opportunities for students, staff, and the wider university community, with new projects, events, international activities, and academic initiatives ahead. The University looks forward to welcoming students and staff back to campus and continuing another successful year of learning, collaboration, and development.

STUDENT WINS GOLD AT SARAJEVO EUROPEAN OPEN

By IROUNMO

Džemal Bijedić University of Mostar student Mustafa Habib won the gold medal in the under-81 kg category at the Sarajevo European Open 2026, a European Judo Union competition. Mustafa secured the gold medal after winning his preliminary bouts. In the final, he defeated Russian judoka Akroman Parchiev after more than five minutes of fighting in the golden score. This marks Habib's first gold medal at an Open-category tournament. He previously won two bronze medals at the Sarajevo Open, as well as bronze medals at Open tournaments in Casablanca and Zouk Mikael.
