## GREEN DESIGN BIENNALE EVENT

## 90TH ANNIVERSARY OF THE BIRTH OF WRITER AND INTELLECTUAL PREDRAG MATVEJEVIĆ

## International Coffee Day

International Coffee Day is a celebration of the coffee sector's diversity, quality and passion. It is an opportunity for coffee lovers to share their love of the beverage and support the millions of farmers whose livelihoods depend on the aromatic crop.

Many countries around the world celebrate their own national coffee days at various dates throughout the year. In March 2014, the Member States of the ICO agreed to organise International Coffee Day on 1 October to create a single day of celebration for coffee lovers around the world.

# Internationalization Day at UNMO held

By IROUNMO

the guests as well as teaching staff and students, could listen to presentations about project ideas that are currently being developed at Mechanical Engineering Faculty, Faculty of Education and Faculty of Information Technologies.

The focus was on the University as a project-oriented institution. The participants could also hear a presentation about the Office for International Cooperation work from the students' perspective.

The event was organized as part of the activities in the scope of INTERBA project.

The Internationalization Day at UNMO was held in the Faculty of Mechanical Engineering amphitheater from 10:00 a.m. to 2:00 p.m. on Thursday 27.10.2022.

In addition to the promotion of the Erasmus+ programme and the dissemination of the Erasmus+ CBHE project, INTERBA: INTERNATIONALIZATION at Home: Embedding Approaches and Structures to Foster Internationalization at Western Balkans,

# NetWork Neum

By IROUNMO

The tenth NetWork conference, the largest business and technology conference in Bosnia and Herzegovina, was held in Neum, which gathered all the best in the IT industry in BiH, as well as eminent lecturers from the entire region.

Students of the Faculty of Information Technologies, Dzemal Bijedic University of Mostar were also part of this event.

At the event, students had the opportunity to hear the latest news from the field of information and communication technologies.

All students of the Faculty of Information Technologies had the opportunity to actively participate in the organization of the event as volunteers.

Associate Professor of the Faculty of Information Technologies, Doctor of Informatics Denis Mušić also held a lecture at the event itself.

All students characterized this event as a very beautiful and instructive event and said that they would be happy to be a part of this event next year as well.

# GREEN DESIGN BIENNALE EVENT

By IROUNMO

The Green Design Biennale is a dynamic, creative, multidisciplinary, and international platform that gathers architects, urban planners, ICT experts, and engineers. The goal of the biennale is to open the door to eliminating the negative impact of modern civilization with the help of new knowledge related to the development of "green cities" to the ecological system of the planet.

The Dzemal Bijedic University of Mostar was the partner in the organization of the event. Prof. dr. Maja Popvac Roso from the Faculty of Civil Engineering took active part in the programme of the Green Design Biennale. The Vice-Rector for science and research, dr. Emir Nezirić in one of the opening statements, spoke on behalf of the University management. As part of his address, Vice-Rector Nezirić greeted all the participants, and wished them success in their work during the event. He emphasized that the number of participants of the biennale from Bosnia and Herzegovina shows firm determination in achieving the goals that the European Union set before Bosnia and Herzegovina as its future member.

# 90TH ANNIVERSARY OF THE BIRTH OF WRITER AND INTELLECTUAL PREDRAG MATVEJEVIĆ

By IROUNMO

The 90th anniversary of the birth of Predrag Matvejević, Mostar and Bosnia and Herzegovina writer and intellectual, and recipient of an honorary doctorate of the Dzemal Bijedic University of Mostar, was marked with an appropriate program at the Mostar Culture Center.

Historian Dragan Markovina, communication specialist Dario Terzić, and professor at the Department of Bosnian Language and Literature of the Faculty of Humanities, prof. dr. Irma Marić participated in the program marking the anniversary of Matvejević's birth.

In her presentation, Professor Marić emphasized the poetic originality and knowledge of cultural and historical paradigms that made Predrag Matvejević one of the most recognizable and significant South Slavic essayists and experts on cultural and anthropological issues.

Professor Marić highlighted that Predrag Matvejević is one of the most translated authors with an enormous influence on the cultural and historical trends of European literature.

Predrag Matvejević was born on October 7, 1932, and died in February 2017. After finishing elementary and secondary school in his native Mostar, he began studying Roman literature in Sarajevo and completed it in Zagreb. In 1967, he received his doctorate at Sorbonne University in Paris.
